Grateful Dead - Ripple chords

G C G C G D C G

Melody Intro:

G **C**
If my words did glow with the gold of sunshine
C **G**
And my tunes were played on the harp unstrung
G **C**
Would you hear my voice come through the music
C **G** **D** **C** **G**
Would you hold it near as it were your own?

G **C**
It's a hand-me-down, the thoughts are broken
C **G**
Perhaps they're better left unsung
G **C**
I don't know, don't really care
G **D** **C** **G**
Let there be songs to fill the air

(Chorus)
Am **D**
Ripple in still water
G **C**
When there is no pebble tossed
A **D**
Nor wind to blow
G **C**
Reach out your hand if your cup be empty

C **G**
If your cup is full may it be again
G **C**
Let it be known there is a fountain
G **D** **C** **G**
That was not made by the hands of men

G **C**
There is a road, no simple highway
C **G**
Between the dawn and the dark of night
G **C**
And if you go no one may follow
G **D** **C** **G**
That path is for your steps alone

(Chorus)

G **C**
You who choose to lead must follow
C **G**
But if you fall you fall alone
G **C**
If you should stand then who's to guide you?
G **D** **C** **G**
If I knew the way I would take you home

Grateful Dead - Scarlet Begonias (Hunter, Garcia)

```
C                              G     F
As I was walkin' down Grosvenor Square,
      C                                   G
Not a chill to the winter but a nip to the air,
F               C  G    F                  C
From the other direction she was calling my eye,
F             C G    F                   C                  G   F
Could be an illusion but I might as well try, might as well try.

She had rings on her fingers and bells on her shoes,
And I knew without askin' she was into the blues.
She wore scarlet begonias tucked into her curls,
I knew right away she was not like other girls, other girls.

In the heat of the evening when the dealin' got rough,
She was too pat to open and too cool to bluff.
As I picked up my matches and was closin' the door,
I had one of those flashes, I'd been there before, been there before.

       D
Well I ain't often right but I've never been wrong,
G                           F          C
Seldom turns out the way it does in the song.
D
Once in a while you get shown the light
       G                           F         C
In the strangest of places if you look at it right.

Well there ain't nothin' wrong with the way she moves,
Or the scarlet begonias or a touch of the blues.
And there's nothing wrong with the look that's in her eyes
I had to learn the hard way to let her pass by, let her pass by.

The wind in the willow's playing "Tea for Two,"
The sky was yellow and the sun was blue,
Strangers stopping strangers just to shake their hand,
Everybody's playing in the heart of gold band, heart of gold band.

G F
Saint Stephen with a rose,
C G
In and out of the garden he goes,
G F
Country garland in the wind and the rain,
C
Wherever he goes the people all complain.
Did Stephen prospered in his time?
Well he may and he may decline.
Did it matter, does it now?
C D
Stephen would answer if he only knew how.

Wishing well with a golden bell,
Bucket hanging clear to hell,
Hell halfway twixt now and then,
Stephen fill it up and lower down and lower down
again.

G F C G
Lady finger, dipped in moonlight,
G F C G
Writing "What for?" across the morning sky.
G F C G
Sunlight splatters, dawn with answer,
G F C G
Darkness shrugs and bids the day goodbye.
G F C G
Speeding arrow, sharp and narrow,
G F C G
What a lot of fleeting matters you have spurned.
G F C G
Several seasons with their treasons,
G F C G
Wrap the babe in scarlet colors, call it your own.

Did he doubt or did he try?
Answers aplenty in the bye and bye,
Talk about your plenty, talk about your ills,
One man gathers what another man spills.
Saint Stephen will remain,
All he's lost he shall regain,
Seashore washed by the suds and foam,
Been here so long, he's got to calling it home.

G
Fortune comes a crawlin', calliope woman,
F C G
Spinnin' that curious sense of your own.
G F
Can you answer? Yes I can.
C G F
But what would be the answer to the answer man?

Grateful dead - Friend of the devil

G C

G C
I lit out from Reno, I was trailed by twenty hounds
G C
Didn't get to sleep last night 'till the morning came around.

[CHORUS]
D
Set out runnin' but I take my time
Am
A friend of the devil is a friend of mine
D Am D Dsus4
If I get home before daylight, I just might get some sleep tonight.

G C
Ran into the devil, babe, he loaned me twenty bills
G C
I spent the night in Utah in a cave up in the hills.

[CHORUS]

G C
I ran down to the levee but the devil caught me there
G C
He took my twenty dollar bill and vanished in the air.

[CHORUS]

D Dsus4 D Dsus4
Got two reasons why I cry away each lonely night,
C Cadd9 C Cadd9
The first one's named Sweet Anne Marie, and she's my hearts delight.
D
The second one is prison, babe, the sheriff's on my trail,
Am C D Dsus4
And if he catches up with me, I'll spend my life in jail.

G C
Got a wife in Chino, babe, and one in Cherokee
G C
The first one says she's got my child, but it don't look like me.

Sugar Magnolia -- Grateful Dead (Barlow, Weir)

A D A G E A
Sugar magnolia, blossoms blooming, heads all empty and I don't care.
A C#m F#m
Saw my baby down by the river,
E D A E A
Knew she had to come up soon for air.

Sweet blossom come on, under the willow,
We can have high times if you'll abide,
We can discover the wonders of nature,
Rollin' in the rushes down by the river side.

D G D A D
She's got everything delightful, she's got everything I need,
D G D E A E A
Takes the wheel when I'm seeing double, pays my ticket when I speed.

She comes skimmin' through rays of violet,
She can wade in a drop of dew.
She don't come and I don't follow,
Waits backstage while I sing to you.

She can dance a cajun rhythm,
Jump like a willys in four-wheel drive.
She's my summer love in the spring, fall, and winter,
She can make happy any man alive.

A G D A G D
Sugar magnolia, ringing that bluebell,
A G D A
Caught up in sunlight,
A E G D
Come on out singing I'll walk you in the sunshine,
D A E A
Come on honey, come along with me.

She's got everything delightful, she's got everything I need,
A breeze in the pines and the sun and bright moonlight,
Lazing in the sunshine, yes indeed.

A
Sometimes when the cuckoo's crying, when the moon is halfway down,
B E B
Sometimes when the night is dying,
B A E D A B A E B
I take me out and I wander around, I wander around.
B E B F# E B
Sunshine daydream, walking in the tall trees,
B E B F# E B
Going where the wind goes, blooming like a red rose,

Ride out singin', I'll walk you in the morning sunshine, sunshine daydream...

The Grateful Dead - Ship Of Fools

I went to see the captain, strangest I could find
Bb D Eb Dm Cm F
Laid my proposition down, I laid it on the line
Eb Bb Dm Cm
I won't slave for beggar's pay, nor likewise gold and jewels
Eb Bb F Eb Bb
But I would slave to learn the way to sink your ship of fools

F Eb Bb
Ship of fools on a cruel sea
F Eb Gm
Ship of fools sail away from me

Gm
It was later than I thought
Gdim
When I first believed you
Cm F
Now I cannot share your laughter
Eb Bb Eb Bb
Ship of fools

Saw your first ship sink and drown from rocking of the boat
And all that could not sink nor swim was just left there to float
I won't leave you driftin' down, but whoa it makes me wild
With thirty years upon my head to have you call me child

[Chorus]

It was later than I thought..

Solo (verse & chorus)

[Chorus]

It was later than I thought..

The bottle stands as empty, as it was filled before
Time there was, and plenty, but from that cup, no more
Though I could not caution all, I still might warn a few
Don't lend your hand to raise no flag atop no ship of fools

[chorus]

It was later than I thought.. (x2)

No, I won't tell you a thing

Yesterday, I begged you
Before I hit the ground
All I leave behind me
Is only what I've found

If you can abide it
Let the hurdy gurdy play
Stranger ones have come by here
Before they flew away

I would ask the same of you

Grateful Dead - High Time (Hunter, Garcia)

```
    C           Bm  F#           E
You told me goodbye, how was I to know

G                   D  C              G
You didn't mean goodbye, you meant please don't let me go.

      A        D      A G            D  C  G           D
I was having a high time, living the good life, well I know.

The wheels are muddy, got a ton of hay.
Now listen here baby, 'cause I mean what I say.
I'm having a high time, living the good life, well I know.

D#                         D
I was losing time, I had nothing to do,

A                  Bm  Em  D
No one to fight, I came to you.

D#                       D
Wheels broke down, the leader won't draw,

    A                    Bm     Em D   Dsus4  C  G
The line is busted, the last one I saw.

Tomorrow come trouble, tomorrow come pain,
Now don't think too hard, baby, 'cause you know what I'm saying.
I could show you a high time, living the good life, don't be that way.

Nothing's for certain, it could always go wrong,
Come in when it's raining, go on out when it's gone.
We could have us a high time, living the good life, well I know.
```

Cut down a man in cold blood, Shannon, might as well been me.

We used to play for silver, now we play for life;

And one's for sport and one's for blood at the point of a knife.

And now the die is shaken, now the die must fall;

There ain't no winner in the game, he don't go home with all,
D G D G E Esus4 E Esus4 E
Not with all.

Leavin' Texas, fourth day of July,
Sun so hot, the clouds so low, the eagles filled the sky.
Catch the Detroit Lightning out of Santa Fe,
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,
Got to settle one old score, one small point of pride.
Ain't no place a man can hide, Shannon, to keep him from the sun;
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Witchita cut his buddy down,
And dug for him a shallow grave and laid his body down.
Half a mile from Tuscon, by the morning light,
One man gone and another to go, my old buddy you're moving much too slow.

We can share the women, we can share the wine.

Hung up waiting for a windy day
Kite on ice since the first of February.
Mama keeps saying that the wind might blow ,
But standing here I say I just don't know.

New ones comin' as the old ones go,
Everything's moving here but much too slowly,
A little bit quicker and we might have time,
To say "How do you do?" before we're left behind.
