Nick Cave and the Bad Seeds
Nature Boy
Abattoir Blues

Intro: **Am - G - D - Am - G - D**

Am
I was just a boy when I'd sit down
D
and watch the news on TV...
Am
I saw some ordinary slaughter,
D
I saw some routine atrocity,
Am
My father said, "Don't look away,
D
you've got to be strong, You've got to be bold now,"
Am
He said that in the end it is beauty
D
that is going to save the world now,

C G D
And she moves, among the sparrows...
C G D
And she floats upon the breeze...
C G D
And she moves among the flowers...
C G D
And she moves something deep inside of me.

I was walking around the flower show like a leopard
coming down with some kind of nervous hysteria,
I saw you standing there, green eyes, black hair,
up against the pink and purple wisteria,
You said "Hey nature boy, you lookin' at me
with some unrighteous intention?"
My knees went weak, I couldn't speak, I was having thoughts
that were not in my best interest to mention...

C G D
And she moves, among the flowers...
C G D
And she floats upon the smoke...
C G D
And she moves among the shadows...
C G D
And she moves me with just one little look.

You take me back to your place and dress me up
in your deep sea diver's suit,
You played the patriot, you raise the flag,
and I stood in full salute,
Later on we smoked a pipe, you struck me dumb
and made it impossible to speak,
as you closed in, in slow motion,
quoting Sappho in the original greek,

And she moves, among the shadows...
And she floats upon the breeze...
And she moves, among the candles...
And we move through the days and through the years.

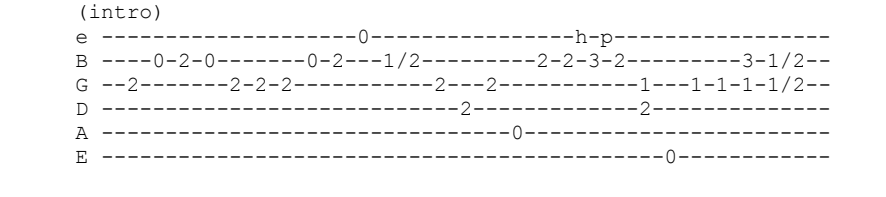

The years pass by, we walk
by the sea half delirious,
You smiled at me and said "Babe, I think
this thing is getting kind of serious,"
You pointed at something and said
"Have you ever seen such a beautiful thing?"
And it was then that I broke down,
it was then you lifted me up again,

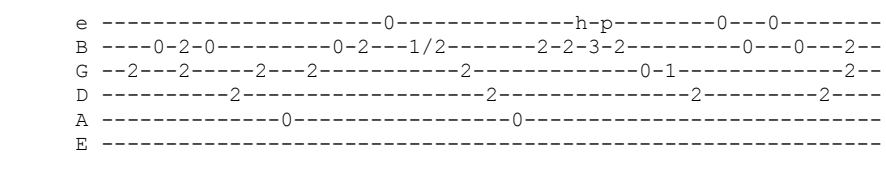

And she moves, among the sparrows...
And she walks across the sea...
And she moves among the flowers...
And she moves something deep inside of me.

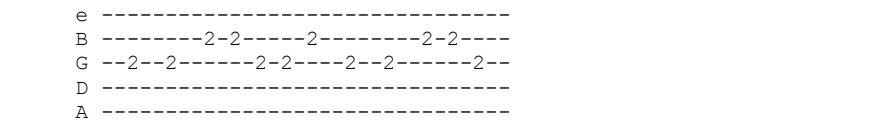

And she moves, among the sparrows...
And she floats upon the breeze...
And she moves among the flowers...
And she moves something deep right up close to me.

There's nothing left, all gone and run away,
Maybe you'll tarry for a while?
It's just a test, a game for us to play,
Win or lose, it's hard to smile
Resist, resist,
It's from yourself you have to hide

G **Am** **D** **D**
All the innocence lost at one time
G **Am** **D** **D**
Significant, behind the eyes
C **(Intro Riff)**
There's no need to hide... we're safe tonight.

Verso:
The ocean is full 'cause everyone's crying
The full moon is looking for friends at hightide
The sorrow grows bigger when the sorrow's denied
I only know my mind... I am mine.

And the meaning, it gets left behind
All the innocents lost at one time
Significant, behind the eyes
There's no need to hide

And the feelings that get left behind
All the innocents broken with lies
Significance, between the lines

All the innocents lost at one time
We're all different behind the eyes

PFM – Impressioni di Settembre

[**Em**] Quante gocce di ru[**D**]giada intorno a me
[**A**] cerco il sole, ma non [**Em**]c'è.
[**D**] Dorme ancora la cam[**A**]pagna, forse no,
è [**Am**]sveglia, mi [**Bm7**]guarda, non [**Em**]so.

Già l'odor della terra, odor di grano
sale adagio verso me,
e la vita nel mio petto batte piano,
respiro la nebbia, penso a te.

[**Em**] Quanto verde tutto in[**D**]torno, e ancor più in là
[**A**] sembra quasi un mare d'[**Em**]erba,
[**D**] e leggero il mio pen[**A**]siero vola e va
ho [**Am**]quasi pa[**Bm7**]ura che si [**Em**]perda...
[**Em**] [**D**] [**A**] [**Em (invertito)**] x2

Un cavallo tende il collo verso il prato
resta fermo come me.
Faccio un passo, lui mi vede, è già fuggito
respiro la nebbia, penso a te.

[**Em**] No, cosa sono a[**D**]desso non lo so,
[**A**] sono un uomo, un uomo in cerca di se [**Em**]stesso.
[**Em**] No, cosa sono a[**D**]desso non lo so,
[**A**] sono solo, solo il suono del mio [**Em**]passo.
[**D**] e intanto il sole tra la [**A**]nebbia filtra già
il [**Am**]giorno come [**Bm7**]sempre sa[**Em**]rà.

Francesco De Gregori - Generale

[**A**][**D**][**A**][**D**]
Gene[**A**]rale dietro la collina
ci sta la notte crucca e assassina
e in mezzo al [**D**]prato c'è una contadina
curva sul tra[**A**]monto sembra una bam[**F#m**]bina
di cinquant'[**Bm**]anni e di cinque figli
venuti al [**A**]mondo come conigli
partiti al [**E7**]mondo come soldati
e non ancora tor[**A**]nati.[**D**][**A**][**D**][**A**][**E7**]

Generale dietro la stazione
lo vedi il treno che portava al sole
non fa più fermate neanche per pisciare
si va dritti a casa senza più pensare
che la guerra è bella anche se fa male
che torneremo ancora a cantare
e a farci fare l'amore, l'amore dalle infermiere.

Generale la guerra è finita
il nemico è scappato, è vinto, è battuto
dietro la collina non c'è più nessuno
solo aghi di pino e silenzio e funghi
buoni da mangiare, buoni da seccare
da farci il sugo quando viene Natale
quando i bambini piangono e a dormire non ci vogliono
andare.

Gene[**A**]rale queste cinque stelle
queste cinque lacrime sulla mia pelle
che senso [**D**]hanno dentro al rumore di questo [**A**]treno
che è mezzo [**F#**]vuoto e mezzo [**Bm**]pieno
e va veloce verso il ri[**A**]torno
tra due mi[**E7**]nuti è quasi giorno, è quasi casa, è quasi
a[**A**]more. [**D**][**A**][**D**][**A**][**E7**]

Francesco De Gregori - Pablo

Mio [**Am**]padre seppellito un anno [**D**]fa,
[**Am**]nessuno più a coltivare la [**D**]vite,
[**Am**]verde rame sulle sue poche, [**D**]poche unghie,
[**Am**]e troppi figli da cul[**D**]lare.

E il [**G**]treno io l'ho [**D**]preso e ho fatto [**C**]bene
[**Am**]spago sulla mia valigia non ce [**D**]n'era
[**C**] solo un po' d'amore la teneva in[**G**]sieme,
[**C**] solo un po' di rancore la teneva in[**G**]sieme.

[**F**] Il collega spagnolo non [**Em**]sente non vede
ma parla del suo [**F**]gallo da battaglia
e la latte[**Em**]ria diventa [**Am**]terra
[**C**]prima parlava [**D**]strano[**C**] e io non lo ca[**D**]pivo
però il [**C**]pane con lui lo divi[**D**]devo
e il pa[**C**]drone non sembrava poi cat[**D**]tivo.[**D7**]

[**G**]Hanno pagato [**A7**]Pablo, Pablo è [**D**]vivo.[**F#m**]
[**G**]Hanno pagato [**A7**]Pablo, Pablo è [**D**]vivo.[**F#m**]
[**G**]Hanno pagato [**A7**]Pablo, Pablo è [**D**]vivo.[**F#m**]
[**G**]Hanno pagato [**A7**]Pablo, Pablo è [**D**]vivo.[**F#m**]
[**G**][**A7**][**D**][**F#m**][**G**][**A7**]

[**D**]Con le mani io posso fare ca[**Am**]stelli,
costruire autostrade e par[**D**]lare con Pablo,
lui conosce le donne e tra[**Am**]disce la moglie,
con le donne ed il vino
e la [**D**]Svizzera verde.

[**F**]E se un giorno è caduto è ca[**Em**]duto per caso
pensando al suo [**F**]gallo o alla
moglie ingras[**Em**]sata come la [**Am**]foto,
[**C**]prima parlava st[**D**]rano[**C**] e io non lo ca[**D**]pivo
però il [**C**]fumo con lui lo divi[**D**]devo
e il pa[**C**]drone non sembrava poi cat[**D**]tivo.[**D7**]

Hanno ammazzato Pablo, Pablo è vivo.
Hanno ammazzato Pablo, Pablo è vivo.
Hanno ammazzato Pablo, Pablo è vivo.
Hanno ammazzato Pablo, Pablo è vivo.

Antoine - Pietre

Tu sei [**D**]buono e ti [**A**]tirano le [**D**]pietre.
Sei cat[**D**]tivo e ti [**A**]tirano le [**D**]pietre.[**D7**]
Qua[**G**]lunque cosa [**D**]fai, do[**G**]vunque te ne [**D**]vai,
[**G**]sempre pietre in [**D**]faccia prende[**A**]rai.

Tu sei ricco e ti tirano le pietre
Non sei ricco e ti tirano le pietre
Al mondo non c'è mai qualcosa che gli va
e pietre prenderai senza pietà!

Se lavori, ti tirano le pietre.
Non fai niente e ti tirano le pietre.
Qualunque cosa fai capire tu non puoi
se è bene o male quello che tu fai.

Tu sei bello e ti tirano le pietre.
Tu sei brutto e ti tirano le pietre.
E il giorno che vorrai difenderti vedrai
che tante pietre in faccia prenderai!

Sarà così
finché vivrai
Sarà così

So,
so you think you can tell,
Heaven from hell,
Blue skies from pain,
Can you tell a green field,
From a cold steal rail
a smile from a veil,
Do you think you can tell?

So,
So do you think we can change,
everybody that hates,
before its too late?
So proud to be free,
but who can we blame?
don't be ashamed,
do you think we can change?

How I wish,
How I wish you were here,
We're a world of lost souls,
swimming in a fish bowl,
year after year,
running over the same old
ground,
what have we found?
the same old fears,
I wish you were here,

We dont need,
need any more pain,
we just need to remain
on the very same page,
so much to gain,
no more loosing a friend,
we're loosing ourselves,
we just need your help,
so glad you're here

So glad you're here.

non so chi sei non so più chi sei mi fai paura oramai
La Mi Re Mi
purtroppo ma ti ricordi le onde grandi e noi
La Mi Re Mi
gli spruzzi e le tue risa
La Mi Re Mi
cos'è rimasto in fondo agli occhi tuoi
La Mi Re Mi
la fiamma è spenta o è accesa?
La Mi Re Mi
Oh mare nero Oh mare nero Oh mare ne...
La Mi Re Mi
tu eri chiaro e trasparente come me
La Mi Re Mi
Oh mare nero Oh mare nero Oh mare ne...
La Mi Re Mi
tu eri chiaro e trasparente come me
La Mi Re Mi
no no no no no no no no no
Oh mare nero oh mare nero oh mare ne
La Mi Re Mi
No! Il sole quando sorge
Oh mare nero oh mare nero oh mare ne…
La Mi Re Mi
sorge piano e poi la luce si diffonde
Oh mare nero oh mare nero oh mare ne
La Mi Re Mi
tutto a intorno a noi le ombre dei fantasmi
Oh mare nero oh mare nero oh mare ne
La Mi Re Mi
della notte sono alberi o cespugli ancora in fiore
Oh mare nero oh mare nero oh mare ne
La Mi Re Mi
sono gli occhi di una donna ancora pieni d'amore.
Oh mare nero oh mare nero oh mare ne
La Mi Re Mi
Eh eh… nanana
Oh mare nero oh mare nero oh mare ne

Johnny Cash – Hurt

```
Am  C      D      Am      C      D       Am
I   hurt myself today, to see if I still feel
  C     D      Am        C    D           Am
I focus on the pain, the only thing thats real
    C      D       Am        C     D      Am
The needle tears a hole, the old familiar sting
       C       D    Am           C      D    G
Try to kill it all away, but I remember everything

Am            F    C            G
What Have I become,  my sweetest friend
Am          F           C          G
Everyone I know, goes away in the end
    Am               F    C            G
And you could have it all, my empire of dirt
Am             F     G               Am
I will let you down, I will make you hurt

Am C         D        Am       C      D     Am
I  wear this crown of thorns, upon my liars chair
C       D      Am        C    D     Am
Full of broken thoughts, I cannot repair
  C         D         Am        C       D      Am
Beneath the stains of time, the feeling   disappears
C       D       Am    C    D          G
You are someone else, I am still right here

Am            F    C            G
What Have I become,  my sweetest friend
Am          F           C          G
Everyone I know, goes away in the end
    Am               F    C            G
And you could have it all, my empire of dirt
Am             F     C               G
I will let you down, I will make you hurt
Am                  F    C                G
If I could start again, a million miles away
Am               F    C              Am (o G)
I would keep myself, I would find a way.

Gogol Bordello - Undestructable

Intro: **Em F G C**

```
          Em                    F
When I was younger I lived in fear
             G                   C
That incarceration of some kind is near
           Em                  F
I checked my head in tact with rules
           G              C
I nearly became a goddamn fool
                  Am             F
But I've heard voices not in the head
           G               C
Out in the air they called ahead
                       Am
Through ripped out speakers
                  F
Through thick and thin
                G
They found a shelter
           C
Under my skin

[CHORUS]
    F    G
How many darkest moments and traps
     Am
Still lay ahead of us          *Undestructable*
    F    G
How many final frontiers
           Am
We gonna mount

And maybe no victory laps   *Undestructable*
    F      G
But if you stepped on path of sacred art
       Am
and stuck it out through thick and thin
*Undestructable*
   F                  G
God knows you become one

Lights go out and I can't be seen

Tides that I tried to swim against
D Am
Have put me down upon my knees

Come out of things unsaid
Shouldn't I pull off my head and a
Trouble that can't be named
Tigers waiting to be tamed singing

Confusion never stops
Closing walls and ticking clocks
Gonna come back and take you home
I could not stop the tune I know singing

Come out upon my seas,
Cursed missed opportunities
Am I a part of the cure
Or am I part of the disease, singing

You are, you are, you are
You are, you are, you are

And nothing else compares
And nothing else compares

G                                    D
among the parade crowd there stands a decorated man
D                             A
remembering how he helped to save this sacred land
C                                G                      D
his helpless enemy was wounded, both hands raised with hope
A                     C                     B                E
he killed him without second thought, with brute force and a rope

[Chorus]

C               D
so many times, so many lives
G       B       C
test the other side
C          D            B            C
waiting to see what the maker has in mind

G                              D
the unsuspecting commoners hum diligent each day
D                                   A
they wallow in their father's sins, as time passes away
C                                       G            D
the crimes are without motive but they ignore all restraint
A              C                    B        E
the evil sits inside them torpid timing its escape

    G                                      F
In the garden where he was cast out by the lord

Flames an Omni-directional sword
For he as ever failed to gather up the fruit

    G                                                    F
He cantered aimlessly through endless permutations of night
                                        Em
Seeking a purpose and the meaning of kin
And when it finally came to him

I'll see you high above the Fields of Mars

Simon & Garfunkel - Richard Cory
Capo 4th fret

Intro A7

```
Am                                  G
They say that Richard Cory owns one half of this whole town
     Am                          E7
With political connections to spread his wealth around
D5
Born into society a banker's only child
       Am   G       C               E7
He had everything a man could want; power, grace and style

[CHORUS]
C                    Am
But I -- work in his factory
      D5
And i curse the life I'm living, And I curse my poverty
                              C                     Am
And i wish that I could be, oh I wish that I could be
     D5                D7                Am
Oh I wish that i could be   -    Richard Cory

     Am                                 G
The papers print his picture almost everywhere he goes
         Am                          E7
Richard Cory at the opera, Richard Cory at a show
         D5
And the rumours of his parties and the orgies on his yacht
        Am     G       C          E7
Oh, he surely must be happy with everything he's got

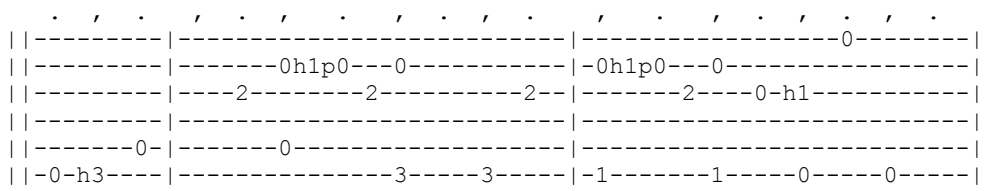

C                    Am
But I -- work in his factory
      D5
And i curse the life I'm living, And I curse my poverty
                              C                     Am
And i wish that I could be, oh I wish that I could be
     D5                D7                Am
Oh I wish that i could be   -    Richard Cory

    Am                           G
He freely gave to charities, he had the common touch
               Am                                    E7
And they were grateful for his patronage, and they thanked him very much
      D5
So my mind was filled with wonder when the evening headlines read
Am      G         C                         Am
Richard Cory went home last night and put a bullet through his head

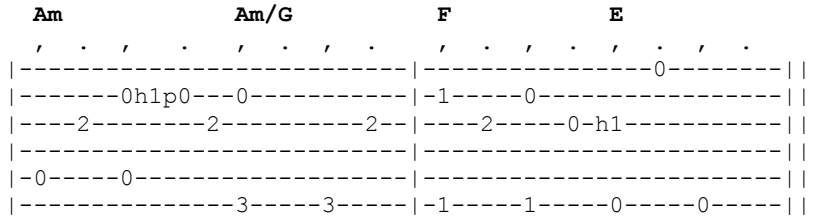

C                    Am
But I -- work in his factory
      D5
And i curse the life I'm living,
And I curse my poverty
                              C                     Am
And i wish that I could be, oh I wish that I could be
     D5                E7                Am
Oh I wish that i could be   -    Richard Cory

VERSE 1:

A **G**
I can hear the soft breathing of the girl that I love,

Reflecting the glow of the winter moonlight.

Before they come to catch me I'll be gone.

I held up and robbed a liquor store.

A scene badly written in which I must play.

When morning is just a few hours away.

Simon & Garfunkel – Sparrow

[**Em**]Who[**D**] will love a little sparrow,
Who's travelled [**C**]far, and cries for [**D**]rest?
"Not [**Em**]I," said the [**A**]oak tree.
"I [**D**]won't share my branches with
[**A**]no sparrow's nest;
And my [**D**]blanket of leaves won't
w[**A**]arm her cold b[**Em**]reast."

[**Em**]Who[**D**] will love a little sparrow,
And who will [**C**]speak a kindly [**D**]word?
"Not [**Em**]I," said the [**A**]swan.
"The [**D**]entire idea is [**A**]utterly absurd;
I'd be [**D**]laughed at and scorned if the [**A**]other
swans [**Em**]heard."

[**Em**]And who[**D**] will take pity in his heart,
And who will [**C**]feed a starving [**D**]sparrow?
"Not [**Em**]I," said the [**A**]golden wheat.
"I [**D**]would if I could but [**A**]I cannot I know;
For I [**D**]need all my grain to [**A**]prosper and
[**Em**]grow."

[**Em**]Who[**D**] will love a little sparrow,
Will no one [**C**]write her [**D**]eulogy?
[**Em**]"I will," said the [**A**]Earth.
"For [**D**]all I've created [**A**]returns unto me;
From [**D**]dust were ye made and [**A**]dust ye shall
[**Em**]be."

Simon & Garfunkel - Sounds of Silence
capo on 6th fret

```
Am                          G
   Hello darkness, my old friend,
                            Am
I've come to talk with you again,
                       F       C
Because a vision softly creeping,
                           F       C
Left it's seeds while I was sleeping,
        F                                  C
And the vision that was planted in my brain
        Am
Still remains
           G        Am
Within the sound of silence.

                                G
In restless dreams I walked alone
                           Am
Narrow streets of cobblestone,
                       F        C
'neath the halo of a street lamp,
                           F        C
I turned my collar to the cold and damp
        F
When my eyes were stabbed by the flash of a neon
C                Am
light, that split the night
                 G        Am
And touched the sound of silence.

                           G
And in the naked light I saw
                             Am
Ten thousand people, maybe more.
                      F       C
People talking without speaking,
                      F        C
People hearing without listening,
                  F                          C
People writing songs that voices never share
           Am
And no one dare
            G        Am
Disturb the sound of silence.

                           G
Fools said I, you do not know
                        Am
Silence like a cancer grows.
                       F           C
Hear my words that I might teach you,
                       F           C
Take my arms that I might reach you.
       F                             C
But my words like silent raindrops fell,
                     G        Am
And echoed in the wells of silence

                           G
And the people bowed and prayed
                         Am
To the neon God they made.
                           F       C
And the sign flashed out it's warning,
                         F     C
In the words that it was forming.
                           F
And the sign said, the words of the prophets
    Am                      C
Are written on the subway walls
              C
And tenement halls.
                        G         Am
And whisper'd in the sounds of silence.

Intro: [**E5**][**B5**][**D5**][**A5**] (strumming V V V V V, prima palm muted, poi continuo)

(verse 1) (V V V V V continuo)
[**E5**] [**B5**] [**D5**] [**A5**]
I'm seeing this girl and she just might be out of her mind,
[**E5**] [**B5**] [**D5**] [**A5**]
Well she's got baggage and its all the emotional kind,
[**E5**] [**B5**] [**D5**] [**A5**]
She talks about closure and that validation bit,
[**E5**] [**B5**] [**D5**] [**A5**]
I don't mean to be insensitive but I really hate that shit,

(chorus) (strumming ritmato)
[**E5**] [**B5**] [**D5**] [**A5**]
Oh... Oh... Oh man she's got issues and I'm gonna pay,
Oh... Oh... She thinks she's the victim, yeah,

(verse 2)
Now I know she'll feel abandoned if I don't stay over late,
& I know she's afraid to commit but its only our second date,

[**E5**] [**B5**] [**D5**] [**A5**]
Oh... Oh... Oh man she's got issues and I'm gonna pay,
[**E5**] [**B5**] [**D5**] [**A5**] [**C5**]
Oh... Oh... She thinks she's the victim, but she takes it all out on me,

(bridge 1)
[**C5**] [**G5**]
I don't know why you're messed up,
[**A5**] [**E5**] [**C5**]
I don't know why your whole life is a chore,
[**G5**]
Just do me a favour
[**A5**] [**B5**] [**E5**]
And check your baggage at the door,

Solo: [**E5**][**B5**][**D5**][**A5**] x3

(verse 3)
Now she talks about her ex nonstop, but I don't mind,
But when she calls out his name in bed thats where I draw the line
You told me a hundred times how your father left and he's gone
But I wish you wouldn't call me daddy, when we're gettin it on

(chorus)
[**E5**] [**B5**] [**D5**] [**A5**]
Oh... Oh... Oh man she's got issues and I'm gonna pay,
Oh... Oh... She playing the victim and taking it all out on me,
Oh... Oh... My God she's got issues and I'm gonna pay

gonna pay, gonna pay, gonna pay, gonna pay, gonna paaay, woah, yeah,

(bridge 2)
[**C5**] [**G5**]
If you think I'm controlling,
[**A5**] [**E5**] [**C5**]
Then why do follow me around,
[**G5**]
If you're not co-dependent,
[**A5**] [**E5**] [**C5**]
Why do you let others drag you down,

(bridge 1)
[**C5**] [**G5**]
I don't know why you're messed up,
[**A5**] [**E5**]
I don't why your whole life is a chore,
[**C5**] [**G5**]
Just do me a favour,
[**A5**] [**B5**] [**E5**]
And check your baggage at the door. (end on **E5**)

Rolling Stones - Sympathy For the Devil

CHORDS: E D A E E D A E

E D A E
Please allow me to introduce myself, I'm a man of wealth and taste
E D A E
I've been around for long, long years I've stolen many a man's soul and faith
E D A E
I was around when Jesus Christ had His moments of doubt and pain
E D A E
I made damn sure that Pilate washed his hands and sealed his fate
B B E D
Pleased to meet you, hope you guess my name, but what's puzzling you, is
A E
the nature of my game

Stuck around St. Petersburg when I saw it was time for a change
I killed the Tzar and his ministers, Anastasia screamed in vain
I rode a tank, held a general's rank, when the blitzkrieg raged and the bodies stank
Pleased to meet you, hope you guess my name, but what's puzzling you, is the nature of my game

I watched with glee while your kings and queens, fought for ten decades for the gods they made
I shouted out "Who killed the Kennedys?", when after all it was you and me
So let me please introduce myself, I am a man of wealth and taste
And I lay traps for troubadours, who get killed before they reach Bombay
Pleased to meet you, hope you guess my name, but what's puzzling you, is the nature of my game

Pleased to meet you, hope you guess my name, but what's confusing you, is just the nature of my game

Just as every cop is criminal, and all the sinners, Saints
As heads is tails, just call me Lucifer, 'cause I'm in need of some restraint
So if you meet me, have some courtesy, have some sympathy and some taste
Use all your well-learned politesse, or I'll lay your soul to waste
Pleased to meet you, hope you guess my name, but what's puzzling you, is the nature of my game

Woo, who

Tell me baby, what's my name
Tell me honey, can ya guess my name
Tell me baby, what's my name
I tell you one time, you're to blame

Oh, who
woo, woo

What's my name
Tell me, baby, what's my name
Tell me, sweetie, what's my name

Woo, who, who
Woo, who, who

Francesco Guccini – Canzone per un'amica

Intro: Do Sol Re Sol

Sol Re Mim
Lunga e diritta correva la strada
Do Sol Re
l'auto veloce correva
Sol Re Mim Do
la dolce estate era già cominciata
Sol Re
Vicino a lui sorrideva,
Sol Re Sol
Vicino a lui sorrideva

Do Sol Re Sol

Forte la mano teneva il volante
forte il motore cantava
non lo sapevi che c'era la morte
quel giorno che ti aspettava,
quel giorno che ti aspettava.

Do Sol Re Sol

Non lo sapevi che c'era la morte
quando si è giovani è strano
poter pensare che la nostra sorte
venga e ci prenda per mano,
venga e ci prenda per mano.

Do Sol Re Sol

Non lo sapevi, ma cosa hai pensato
quando la strada è impazzita
quando la macchina è uscita di lato
e sopra un'altra è finita,
e sopra un'altra è finita.

Do Sol Re Sol

Non lo sapevi ma cosa hai sentito
quando lo schianto ti ha uccisa
quando anche il cielo di sopra è crollato
quando la vita è fuggita,
quando la vita è fuggita.

Do Sol Re Sol

Vorrei sapere a che cosa è servito
vivere, amare, soffrire,
spendere tutti i tuoi giorni passati
se presto hai dovuto partire,
se presto hai dovuto partire.

Do Sol Re Sol

Voglio però ricordarti com'eri
pensare che ancora vivi
voglio pensare che ancora mi ascolti
e che come allora sorridi,
e che come allora sorridi.

Francesco Guccini – Il vecchio e il bambino

Rem Do
Un vecchio e un bambino si preser per mano
Sib La4 La7
e andarono insieme incontro alla sera
Rem Do
la polvere rossa si alzava lontano
Sib La4 La7
e il sole brillava di luce non vera;
Fa Do7
l'immensa pianura sembrava arrivare
Rem La9 La7
fin dove l'occhio di un uomo poteva guardare
Fa Do
e tutto d'intorno non c'era nessuno
Rem La9 La7
solo il tetro contorno di torri di fumo.

I due camminavano, il giorno cadeva
Il vecchio parlava e piano piangeva.
Con l'anima assente, con gli occhi bagnati
Seguiva il ricordo di miti passati.
I vecchi subiscon le ingiurie degli anni
Non sanno distinguere il vero dai sogni,
I vecchi non sanno, nel loro pensiero
Distinguer nei sogni il falso dal vero.

E il vecchio diceva, guardando lontano,
"Immagina questo coperto di grano,
Immagina i frutti, immagina i fiori
E pensa alle voci e pensa ai colori.
E in questa pianura fin dove si perde
Crescevano gli alberi e tutto era verde,
Cadeva la pioggia, segnavano i soli
Il ritmo dell'uomo e delle stagioni."

Il bimbo ristette, lo sguardo era triste,
E gli occhi guardavano cose mai viste,
Rem Do
e poi disse al vecchio con voce sognante
Sib Sol7+ Re La4/7 Re
"Mi piaccion le fiabe, raccontane altre!"

Giorgio Gaber – La libertà

Vorrei essere libero, libero come un uomo,
MI- **RE** **MI-**
come un uomo appena nato che ha di fronte solamente la natura,
RE **MI-**
che cammina dentro a un bosco con la gioia di seguire un'avventura,
RE **MI-**
sempre libero e vitale, fa l'amore come fosse un animale,
RE **MI**
incosciente come un uomo compiaciuto della propria libertà.

MI **LA** **MI**
La libertà non è star sopra un albero, non è neanche il volo di un moscone
LA **LA-** **MI** **SI7** **MI**
la libertà non è uno spazio libero, libertà è partecipazione.

MI-
Vorrei essere libero, libero come un uomo
RE **MI-**
Come un uomo che ha bisogno di spaziare con la propria fantasia
RE **MI-**
e che trova questo spazio solamente nella sua democrazia
RE **MI-**
che ha diritto di votare e che passa la sua vita a delegare
RE **MI**
e nel farsi comandare ha trovato la sua nuova libertà

MI **LA** **MI**
La libertà non è star sopra un albero, non è neanche avere un'opinione
LA **LA-** **MI** **SI7** **MI**
la libertà non è uno spazio libero, libertà è partecipazione.

MI-
Vorrei essere libero, libero come un uomo
RE **MI-**
Come un uomo più evoluto che s'innalza con la propria intelligenza
RE **MI-**
e che sfida la natura con la forza incontrastata della scienza
RE **MI-**
con addosso l'entusiasmo di spaziare senza limiti nel cosmo
RE **MI**
e convinto che la forza del pensiero sia la sola libertà.

MI **LA** **MI**
La libertà non è star sopra un albero, non è neanche un gesto un'invenzione
LA **LA-** **MI** **SI7** **MI**
la libertà non è uno spazio libero, libertà è partecipazione.

Foo fighters - Come alive

Intro: **Bm A E B** x2

Bm A
Seems like only yesterday
E B
Life belong to runaways
Bm A E
Nothing here to see, no looking back
Every sound monotone
Every color monocrome
Life begin to fade into the black
Such a simple animal
Steralized with alcohol
I could hardly feel me anymore
Desperate, meaningless
All filled up with emptiness
Felt like everything was said and done

G A
I lay there in the dark,
B
I close my eyes
G A
You saved me the day
B
you came alive

Still I try to find my way
Spending hours, endin' days
Burning like a flame behind my eyes
Drown in out, drink it in
Crown the king of suffering
Prisoner, slave 'til in the skies
Disappeared the only thing
Bittersweet surrendering
Knew that it was time to say goodbye

G A B
I lay there in the dark and I close my eyes
G A B
You saved me the day that you came alive
G A B
No reason you left me to survive
G A B
You saved me the day you came alive

Tonight's the test
Tonight's the time
I am the punishment
That fits the crime
I'll break the bricks
I'll pick the locks
I dont got nuthin
But I'll give what I got

[churus]

Ten trials whose outcomes
All fixed from the start
Nine Judges sitting counting
Their money in the dark
Eight towers of iron
Surrounded the desert town
On a cold december morning
Seven martyrs knocked them down
Six fathers still waiting
For their six sons to come home
Five mothers who know better
And accept that they're gone
Four years I've been hunted
Still I breathe free
Three times I shot the sheriff
And did not spare the deputy

Two prayers I'm praying
Until we're together
One promise I'm keeping
Tonight and forever

[chorus]

(Chorus)
E
But everything changes
Asus2
if I could turn back the years
C#m
If you could learn to forgive me
A
then I could learn to feel

Sometimes the things I say
In moments of disarray
Succumbing to the games we play
To make sure that it's real

(Chorus)

C#m A E H (x2, end on A)

Verse:
When it's just me and you
Who knows what we could do
If we can just make it through
through this part of the day

(Chorus) **C#m**
Then we could
Stay here together
A
And we could
Conquer the world
C#m
If we could
Say that forever
A
It's more than just a word

If you just walked away
What could I really say?
It wouldn't matter anyway
would it change how you feel?

Am **C** **D** **F**
There is a house in New Orleans,
Am **C** **E** **E**
They call the Rising Sun
Am **C** **D** **F**
And It's been the ruin of many a poor boy
Am **E** **Am** **C D F Am E Am E**
And God, I know, I'm one

Am **C** **D** **F**
My mother was a tailor
She sewed my new blue jeans
My father was a gambling man
Down in New Orleans

And the only things a gambler needs
Is a suitcase and a trunk
And the only time he's satisfied
Is when he's all a-drunk

I've got one foot on the platform
The other foot on the train
I'm going back to New Orleans
To wear the ball and chain

So mothers, tell your children
Not to do what I have done
Spend your life in sin and misery
In the house of the Rising Sun

Repeat First Verse

John Denver - Take me home country roads

A A A A

```
       A       F#m
Almost heaven, West Virginia,
E                    D          A
Blue Ridge Mountains, Shenandoah River.
A                   F#m
Life is old there, older than the trees,
E                           D                A
Younger than the mountains growin' like a breeze

Country Roads, take me home

To the place I belong:

West Virginia, mountain momma,
        D             A
Take me home, Country Roads.

All my mem'ries gather 'round her,
Miner's lady, stranger to blue water.
Dark and dusty, painted on the sky,
Misty taste of moonshine, teardrop in my eye.

Country Roads ....

F#m        E             A
I hear her voice, in the mornin' hours she calls me,
    D       A              E
The radio reminds me of my home far away,
    F#m              G
And drivin' down the road
        D              A
I get a feelin' that I should have been home
E                E7
yesterday, yesterday.

Country Roads ....

        E             A
Take me home, Country Roads,

Take me home, Country Roads.

Gogol bordello - Wonderlust king

Bm **G**
Back in the day, yo, as we learned
D
A man was not considered to be
F# **Bm**
Considered to be fully grown
Has he not gone beyond the hills
Has he not crossed the seven seas
(Yeah, seven seas at least!)
Now all them jokers kept around
Just like the scarecrows in hometown
Yeah, scarecrows in hometown
From screen to screen they're traveling
But I'm a wonderlust king

I stay on the run
(The run!)
Let me out
Let me be gone
In the world's beat up road sign
I saw new history of time
New history of time!

Dadadadada dadadadada dadadadada dadadada oh!
Dadadadada dadadadada dadadadada dadadada oh!
Dadadadada dadadadada dadadadada dadadada oh!
Dadadadada oh! Yeah yeah yeah yeah yeah!

Through Siberian woods
Breaking up their neck
(Breaking up their neck!)
Chinese moving in, building discoteques
(Building discoteques!)
Trans-Siberian sex toys and what-not
Yeah, and why not?
Well at least it's something different
From what they got in every other airport
Ja ne evrei, no koje-chto pohozge
Sovrat ne dast ni Yura ni Seryozga!
Simple because I'm not a total gadjo
Da ja shut, ja tziratch, nu tak stozge?

I traveled the world
Looking for understanding
Of the times that we live in
Hunting and gathering first-hand information
Challenging definitions of sin
I traveled the world
Looking for lovers
Of the ultimate beauty
But never settled in
Hay-eh-ya, hay-eh-ya, hay-eh-ya
I am a wonderlust king!

I stay on the run
(The run!)
Let me out
Let me be gone
In the world's beat up road sign
I saw new history of time
New history of time!

Dadadadada dadadadada dadadadada dadadada oh!
Dadadadada dadadadada dadadadada dadadada oh!
Dadadadada dadadadada dadadadada dadadada oh!
Dadadadada dadadadada dadadadada dadadada oh!

And presidents
And billionaires
And generals
They'll never know
What I have owned
What I have owned
Hay-eh-ya, hay-eh-ya, hay-eh-ya
Hay-eh-ya, hay-eh-ya, hay-eh-ya

I am a wonderlust king!

Gogol bordello - American wedding

A
Have you ever been to American wedding?
C
Where is the vodka, where's marinated herring?
D
Where is the band that's got the taste?
A
Where is the supply that gonna last three days?
A
Where is the band that like Fanfare.
C
Gonna keep it goin' 24 hours
D
Ta-tar-ranta-ta-ta
A
Super taran-ta taran-ta ran-ta ta

Instead it's one in the mornin'
And DJ is patchin' up the cords
Everybody's full of cake
Staring at the floor
Proper couples start to mumble
That it's time to do
People gotta get up early
Yep, they gotta go
People gotta get up early
And she'd gotta boyfriend
And this whole fucking thing
Is one huge disappointment

Ta-tar-ran-ta

Nothing gets these bitches going
Not even Gypsy Kings
Nobody talks about my Supertheory
Of Supereverythings!
So be you Donald Trump
Or be an anarchist
Make sure that your wedding
Doesn't end up like this

I understand the cultures
Of a different kind
But here word celebration
Just doesn't come to mind

If ya give this man a ride
Sweet family will die
Killer on the road, yeah

Girl ya gotta love your man
Girl ya gotta love your man
Take him by the hand
Make him understand
The world on you depends
Our life will never end
Gotta love your man, yeah

Wow!

I want to buy you flowers
                              [E]
It's such a shame you're a boy

But when you are not a girl

You are so sweet and I'm so alone

I'll buy you flowers

You were so sweet and I was in love

you found another girl

```
          C                        F              C
Somewhere high in the desert near a curtain of blue

St. Anne's skirts are billowing

The fans of Santa Ana are withering

And you can't deny that living is easy

If you never look behind the scenery

And bedlam is dreaming of rain

[Chorus]

G            F             C     G
The road is narrow the horizon wide,
G                    F               C    G
And to say what's waiting on the other side,
G        F            C        G          Am
It's so wanted; the ultimate prize, But what good
is something
         C                          D
if you can't have it until you die?

[Bridge]
C              D                   G                 Em
Desperate, tenacious, clinging like a grain of sand
C                  D             G           Em
Watching it's foundation wash away, wash away,
C                 D               G
Drunk with the assertions, they know they can't
  Em
defend,
C               D                 G
Confident that they might live again.

[Chorus]
      Em           D
Live Again, Live Again,
            C           D            Em
Would you give it all up to live again?
      C             D
Live Again, Live Again,
            C           D            G     D
Would you give it all up to live again

[Verse]
G            F           C     G
Temptation, revelation, you decide,
G                     F            C     G
Torture shows it's colors often in disguise,
G             F                 C  G
Progress and purpose help us realize,
   Am                       C
We pass along a brighter faith even though it must
   D
be blind.

Franco Battiato – La cura

Ti[**Bm7**] proteggerò
dalle p[**F#m/A**]aure delle ipocondrie,
[**G**] dai turbamenti che da oggi
incontre[**D**]rai per la tua via.[**A**]
Dal[**Bm**]le ingiustizie
e dagli inganni del tuo te[**F#m**]mpo
dai fall[**G**]imenti che per tua natura
normal[**D**]mente attirerai.

Ti sollev[**Bm**]erò dai dolori
e dai tuoi sba[**F#m**]lzi d'umore
dalle ossessi[**G**]oni delle tue manie [**D**]
Super[**Bm**]erò le correnti gravitaziona[**F#m**]li
lo spazio e la [**G**]luce per non farti
invecchiar[**Bm**]e. [**F#m**]
E guarir[**G**]ai da tutte le malat[**D**]tie,

[**A**] Ti po[**Bm**]rterò

[**G**] Percorreremo insieme
le vie che por[**D**]tano all'essenza.

[**A**] I pro[**Bm**]fumi d'amore

[**G**] la bonaccia d'agosto
non calme[**D**]rà i nostri sensi.

Tesse[**Bm**]rò i tuoi capelli
come trame di un c[**F#m**]anto.
[**G**] Conosco le leggi del mondo
e te ne farò [**D**]dono.
Supere[**Bm**]rò le correnti gravitazion[**F#m**]ali,

Keep on rockin' in the free world,
G D C C/B C/A Em
Keep on rockin' in the free world.

I see a woman in the night
With a baby in her hand
Under an old street light (old street light)
Near a garbage can (near a garbage can)
Now she puts the kid away, and she's gone to get a hit
She hates her life, and what she's done to it
There's one more kid that will never go to school
Never get to fall in love, never get to be cool.

Keep on rockin' in the free world,
Keep on rockin' in the free world
Keep on rockin' in the free world,
Keep on rockin' in the free world.

(Bass only)
We got a thousand points of light
For the homeless man
We got a kinder, gentler,
Machine gun hand
(Guitar starts in)
We got department stores and toilet paper
Got styrofoam boxes for the ozone layer
Got a man of the people, says keep hope alive
Got fuel to burn, got roads to drive.

Keep on rockin' in the free world,
Keep on rockin' in the free world
Keep on rockin' in the free world,
Keep on rockin' in the free world.

yeah the bright and hollow sky
you know it looks so good tonight
I am the passenger
I stay under glass
I look through my window so bright
I see the stars come out tonight
I see the bright and hollow sky
over the city's ripped backsides
and everything looks good tonight
singing la la la la lalalala
la la la la lalalala la la
get into the car
we'll be the passenger
we'll ride through the city tonight
we'll see the city's ripped backside
we'll see the bright and hollow sky
we'll see the stars that shine so bright
stars made for us tonight
oh the passenger
oh how he rides
oh the passenger
he rides and he rides
he looks through his window
what does he see?
he sees the bright and hollow sky
he sees the stars come out tonight
he sees the city's ripped backsides
he sees the winding ocean drive
and everything was made for you and me
all of it was made for you and me
'cause it just belongs to you and me
so let's take a ride
and see what's mine
singing la la la la lalalala
la la la la lalalala
la la la la lalalala la la
oh the passenger
he rides and he rides
he sees things from under glass
he looks through his window side
he sees the things he knows are his

Just enjoy the ride

If you close the door to your house
Don't let anybody in
It's a room that's full of nothing
No blood underneath your skin
Face against the window
You can watch it fade to grey
And you'll never catch the fickle wind
If you choose to stay

But oh the road is long
The stones that you are walking on
Have gone

With the moonlight to guide you
Feel the joy of being alive
The day that you stop running
Is the day that you arrive

And the night that you got locked in
Was the time to decide
Stop chasing shadows
Just enjoy the ride

Stop chasing shadows

It's something unpredictable but in the end is right
  Em               D            G
I hope you had the time of your life

So take the photographs and still frames in your mind
Hang them on a shelf in good health and good time
Tattoos of memories and dead skin on trial
For what it's worth it was worth all the while

It's something unpredictable
But in the end is right
I hope you had the time of your life

Eagles - Hotel California

[**Bm**]On a dark desert highway, [**F#**]cool wind in my hair
[**A**]Warm smell of colitas, [**E**]rising through the air
[**G**]Up ahead in the distance, [**D**]I saw a shimering light
[**Em**]My head grew heavy and my sight grew dim, [**F#**]I had to stop for the night

[**Bm**]There she stood in the doorway, [**F#**]I heard the mission bell
[**A**]And I was thinking to myself: this could be [**E**]heaven or this could be hell
[**G**]Then she lit up a candle [**D**]and she showed me the way
[**Em**]There were voices down the corridor; [**F#**]I thought I heard them say:

"[**G**]Welcome to the Hotel Califor[**D**]nia
[**F#**]Such a lovely place (such a lovely place), such a [**Bm**]lovely face
[**G**]Plenty of room at the Hotel Califor[**D**]nia
Any [**Em**]time of year (any time of year), you can [**F#**]find it here"

[**Bm**]Her mind is Tiffany twisted, [**F#**]she got the Mercedes Benz
[**A**]She got a lot of pretty, pretty boys, [**E**]that she calls friends
[**G**]How they dance in the courtyard, [**D**]sweet summer sweat
[**Em**]Some dance to remember, [**F#**]some dance to forget

[**Bm**]So I called up the captain, "[**F#**]Please bring me my wine", He said
[**A**]"We haven't had that spirit here since [**E**]nineteen sixty-nine"
[**G**]And still those voices are calling from [**D**]far away
[**Em**]Wake you up in the middle of the night, [**F#**]just to hear them say:

"[**G**]Welcome to the Hotel Califor[**D**]nia
[**F#**]Such a lovely place (such a lovely place), such a [**Bm**]lovely face
They [**G**]livin' it up at the Hotel Califor[**D**]nia
What a [**Em**]nice surprise (what a nice surprise), bring your [**F#**]alibis"

[**Bm**]Mirrors on the ceiling, [**F#**]the pink champagne on ice, and she said
"[**A**]We are all just prisoners here, [**E**]of our own device"
[**G**]And in the master's chambers, [**D**]they gathered for the feast
[**Em**]They stab it with their steely knives but they [**F#**]just can't kill the beast

[**Bm**]Last thing I remember, I was [**F#**]running for the door
[**A**]I had to find the passage back to the [**E**]place I was before
"[**G**]Relax," said the night man, "We are [**D**]programmed to receive
[**Em**]You can check out any time you like, but [**F#**]you can never leave"

Ministri - Tempi Bui

Intro: **Mi-**

Do
Veramente vivo in tempi bui
Mi-
e non è per rovinarti il pranzo
Do
che ti dico arriva la marea
Mi-
e tu la scambi per entusiasmo.

Do
Veramente vivo in tempi bui
Mi-
e non ho nulla di cui preoccuparmi
Do
perchè son diventato buio anch'io
Mi-
ma di notte sono uguale agli altri.

La-
E mi cambierò nome
Do **Mi-**
ora che i nomi non valgono niente
La-
non funzionano più
Do **Mi-**
da quando non funziona più la gente
La-
mi cambierò nome
Do **Mi-**
ora che i nomi non cambiano niente
La-
non funzionano più
Do **Mi-** **Re** **Mi- Re Mi-**
da quando non funziona più la gente.

I tedeschi sono andati via
come faremo ora a liberarci
non possiamo neanche uccidere il re
perchè si dice siamo noi i bersagli.

Veramente vivo in tempi bui
riuscivi solo a chiedermi per quanto
e ora son diventato buio anche io
che cos'hai tu da brillare tanto.

Do
E mi cambierò nome
Mi-
per passar le dogane e gli inverni

(**D, C, G**)

Big wheels keep on turning,
carry me home to see my kin
singing songs about the southland.
I miss 'Albamy once again and I think it's a sin. Yeah.

Well, I heard Mister Young sing about her.
Well, I heard ole Neil put her down.
Well, I hope Neil Young will remember
a southern man don't need him around anyhow.

Sweet home Alabama where the skies are so blue.
Sweet home Alabama, Lord, I'm coming home to you.

In Birmingham they love the Gov'nor. Boooh hoo hoo.
Now we all did what we could do.
Now Watergate does not bother me.
Does your conscience bother you, tell the truth.

Sweet home Alabama where the skies are so blue.
Sweet home Alabama, Lord, I'm coming home to you.

Now Muscle Shoals has got the Swampers
and they ve been known to pick a song or two.
Lord, they get me off so much,
they pick me up when I'm feeling blue, now how about you.

Sweet home Alabama where the skies are so blue.
Sweet home Alabama, Lord, I'm coming home to you.
Sweet home Alabama where the skies are so blue.
Sweet home Alabama, Lord, I'm coming home to you.

And in my hour of darkness, She is standing right in front of me

C                 G              F  C/e Dm C
Whisper words of wisdom, let it be

And when the broken hearted people, Living in the world agree
There will be an answer, let it be

But though they may be parted, There is still a chance that they may see
There will be an answer, let it be

[CHORUS]
Let it be, let it be, let it be, let it be
There will be an answer, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the night is cloudy,
There is still a light that shines on me
Shine on till tomorrow, let it be
I wake up to the sound of music, Mother Mary comes to me
Speaking words of wisdom, let it be

I like to dream, yes I do
Right between the sound machine
On a cloud of sound I drift in the night
Every place she goes is right
Flies far, flies near
To the stars away from here

Well, you don't know what
We can find
Why don't you come with me little girl
On a magic carpet ride

Well, you don't know what
We can find
Why don't you tell your dreams to me
Fantasy will set you free

Last night I found Aladdin's lamp
So I wished that I could stay
But before the thing could answer me
Someone came and took the lamp away

I looked
Around
A lousy candle's all I found

Well, you don't know what
We can find
Why don't you come with me little girl
On a magic carpet ride

Well, you don't know what
We can see
Why don't you tell your dreams to me

It's a struggle / Livin' like a good boy oughta
In the summer / Watchin' all the girls pass by
When your mama / Heard the way that you'd been talking
I tried to tell you / That all she'd wanna do is cry

same as 2nd verse
Now we end up takin' the long way home
Lookin' overdressed wearin' buckets of stale cologne
It's so hard to see streets on a country road
When your glasses in the garbage
And your Continental's just got towed

Ugly kid Joe – Cats in the cradle

```
E                 G
A child arrived just the other day
 A                          E
Came to the world in the usual way
E                            G
There were planes to catch, bills to pay
 A                       E
He learned to walk while I was away
D
He was talking 'fore I knew it and when he
could, he said
 G                  E
"I'm gonna be like you, dad,
 G                           E
You know I'm gonna be like you"

CHORUS
E                            G
The cats in the cradle and the silver spoon
 D                     A
Little boy blue and a man on the moon
E                           G
When you comin' home son, I don't know when
D                    E
We'll get together then,
G                                  E
You know we'll have a good time then

E                        G
My son turned ten just the other day
A                                    E
He said "Thanks for the ball dad, come on,
let's play
E                                          G
Could you teach me to throw?", I said "Not
today
A                               E
I got a lot to do", he said "That's OK"
D                                            G
He walked away with a smile on his face, he
said
               E
"I'm gonna be like him, yeah,
G                           E
you know I'm gonna be like him"

[CHORUS]

E                              G
Well he came from college just the other
day
A                                  E
So much like a man I just have to say
 E                             G
I'm proud of you, could you sit for a
while
A                           E
He shook his head and he said with a smile
  D
What I'm feeling like, dad, is to borrow
the car keys
G                   E
see you later, can I have them please

[CHORUS]

E                               G
I've long since retired, my son moved away
A                    E
I called him up just the other day
E                         G
I'd like to see you, if you don't mind
 A                             E
He said: I'd love to, dad, if I could find
the time.
         D
You see, my new job's hassle and the kids
got the flu,
 G                                 E
but it's sure nice talking to you dad,
G                        E
it was sure nice talking to you.

       D
And as I hung up the phone is occurred to
me
 G                         E
He'd grown up just like me
G                         E
My boy was just like me!

     Am
She came to me one morning, one lonely Sunday morning,
     G                           Am
her long hair flowing in the mid-winter wind.
Am
I know not how she found me, for in darkness I was walking,
        G                                  Am
and destruction lay around me from a fight I could not win.

Am  C  G   Am  Am     G   Am
Ahahaaahaahah, ahahaaahahaha !

She asked me name my foe then. I said the need within some men
to fight and kill their brothers without thought of men or god.
And I begged her give me horses to trample down my enemies,
so eager was my passion to devour this waste of life.

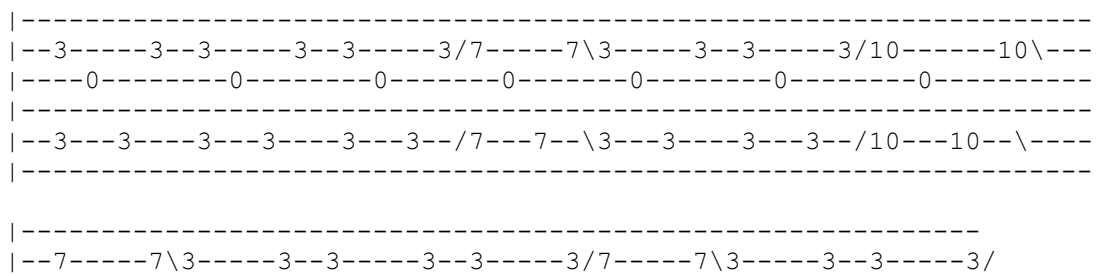

But she would not think of battle that reduces men to animals,
so easy to begin and yet impossible to end.
For she the mother of all men had counciled me so wisely that
I feared to walk alone again and asked if she would stay.

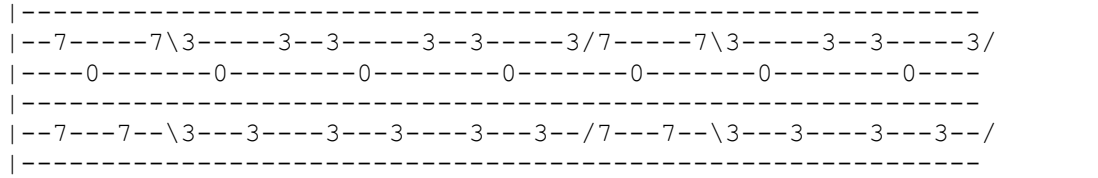

"Oh lady lend your hand," I cried, "Oh let me rest here at your side."
"Have faith and trust in me," she said and filled my heart with life.
There is no strength in numbers. I've no such misconceptions.
But when you need me be assured I won't be far away.

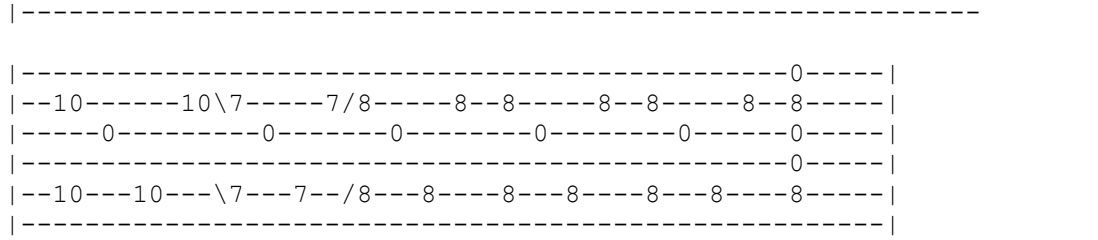

Thus having spoke she turned away and though I found no words to say
I stood and watched until I saw her black cloak disappear.
My labor is no easier, but now I know I'm not alone.
I find new heart each time I think upon that windy day.
And if one day she comes to you drink deeply from her words so wise.
Take courage from her as your prize and say hello for me.

LYRICS:

And I threw you the obvious and you flew with it on your back
a name in your recollection down among a million same

Difficult not to feel a little bit disappointed and passed over
when i've looked right through to see you naked and oblivious
and you don't see me

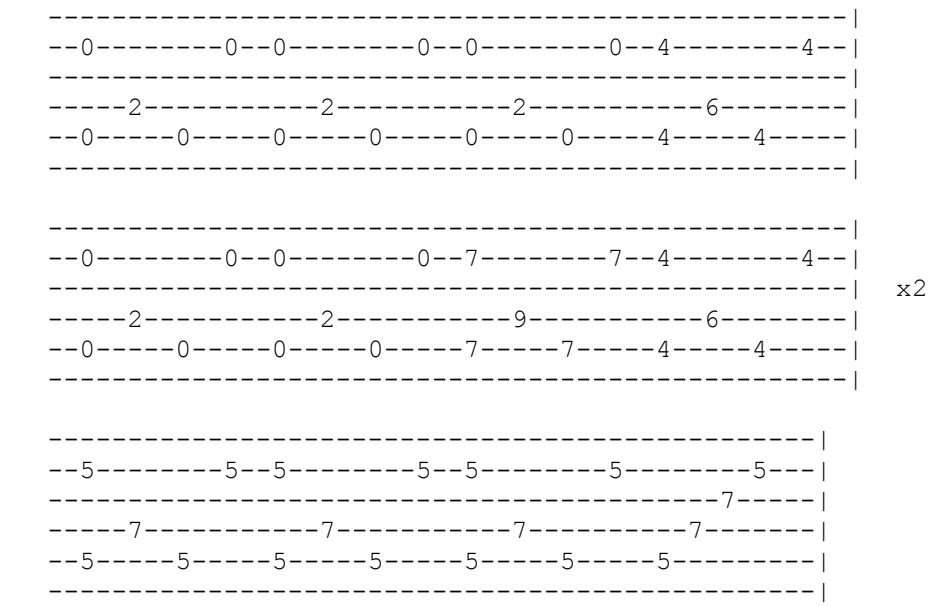

but i threw you the obvious just to see if there's more behind
the eyes of a fallen angel eyes of a tragedy
here i am expecting just a little bit too much from the wounded
but i see through it all and see you

so i threw you the obvious to see what occurs behind the eyes
of a fallen angel eyes of a tragedy
oh well apparently nothing

you don't see me

This song is a cover of a song by Steve Harley. Duran Duran did it one full step higher than the original (which was in the key of F).

Come up and see me, make me smile.

Jeff Buckley - Hallelujah

C Am C Am

C Am
Well I've heard there was a secret chord,
C Am
That David played and it pleased the Lord,
F G C G
But you don't really care for music, do ya?
C F G
It goes like this, the 4th, the 5th,
Am F
The minor fall and the major lift,
G E7 Am
The baffled king composing hallelujah,

F Am
Halle-lujah, halle-lujah,
F C G C
halle-lujah, halle lu--- --- jah
C Am C Am

C Am
Well Your faith was strong but you needed proof
C Am
You saw her bathing on the roof
F G C G
Her beauty and the moonlight overthrew you
C F G
she tied you to her kitchen chair
Am F
And she broke your throne and she cut your hair
G E7 Am
And from your lips she drew the Hallelujah

F Am
Halle-lujah, halle-lujah,
F C G C
halle-lujah, halle lu--- --- jah
C Am C Am

C Am
Well baby I've been here before
C Am
I've seen this room and I've walked this floor
F G C G
I used to live alone before I knew ya
C F G
I've seen your flag on the marble arch
Am F
Love is not a victory march
G E7 Am
It's a cold and it's a broken Hallelujah

F Am
Halle-lujah, halle-lujah,
F C G C
halle-lujah, halle lu--- --- jah
C Am C Am

C Am
Well there was a time when you let me know
C Am
What's really going on below
F G C G
But now you never show that to me do you?
C F G
And remember when I moved in you?
Am F
And the holy dove was moving too
G E7 Am
And every breath we drew was Hallelujah

F Am
Halle-lujah, halle-lujah,
F C G C
halle-lujah, halle lu--- --- jah
C Am C Am

C Am
Well maybe there's a God above
C Am
But all I've ever learned from love
F G C G
Was how to shoot somebody who outdrew ya
C F G
And it's not a cry that you hear at night
Am F
It's not somebody who's seen the light
G E7 Am
It's a cold and it's a broken Hallelujah

F Am
Halle-lujah, halle-lujah,

Pink Floyd - Comfortably Numb

```
Bm                      A
Hello, Is there anybody in there?
                    G       D   Em          Bm
Just nod if you can hear me,      is there anyone at home?

Come on, now, I hear your feeling down,
      G           D   Em            Bm
well, I can ease  your  pain, get you on your feet again.

Relax, I need some information, first, just the basic facts,
         Bm
Can you show me where it hurts
D                           A
There is no pain you are receding,
D                               A        (Asus2 Asus4 A)
A distant ship smoke, on the horizon,

You are only coming through in waves,

Your lips move, but I can't hear what your saying,

When I was a child, I had a fever,

my hands felt just like, two ballons,

There is no pain you are receding,

DJ Lubel - Wrong Hole

I [**Em**] took her on a [**C**] date, things [**G**] seemed so [**D**] bright
I [**Em**] knew i would not [**C**] need my [**G**] youporn [**D**] tonight

We [**Em**] go to her [**C**] place and we [**G**] fool [**D**] around
We [**Em**] throw all our [**C**] clothes [**G**] ... to the [**D**] ground

[**Em**] We [**C**] begin as she [**G**] turns out the [**D**] lights
I [**Em**] start but feel some[**C**]thing so very [**G**] extra [**D**] tight

I [**Em**] hear her [**C**] cry, i [**G**] see her [**D**] frown
I [**Em**] look at the [**C**] condom, it [**G**] is all [**D**] brown

Chorus:
[**Em**] Last Night, [**C**] oooo
I [**G**] stuck it in the wrong [**D**] hole

[**Em**] I'm so sorry, [**C**] oooo
from the [**G**] bottom of my [**D**] soul
....cause i stuck it in the wrong hole [**Em C G D**]

[**Em**] Try some prepar[**C**]ation H it'll [**G**] make you feel [**D**] better
[**Em**] In my def[**C**]ense those holes are [**G**] so close tog[**D**]ether

[**Em**] Oh baby [**C**]baby don't [**G**]feel de[**D**]filed
it's a [**Em**] common acci[**C**]dent during [**G**] doggy [**D**]style

[**Em**] It was so [**C**] dark I couldn't [**G**] see so [**D**] good
I [**Em**] had no [**C**] idea where i [**G**] put my [**D**] wood

I [**Em**] want to make things [**C**] better want to [**G**] make things al[**D**]right
If you [**Em**] want you can put on a [**C**] strap on and give it back to [**G**] me all [**D**] night
(I'd rather she didn't)

[Chorus]

I [**Em**] never ever want to make you feel hurting
I [**D**] guess thats why God made that hole not for inserting

[**Em**] Tell me how you feel, baby please don't pause
Now I [**D**] know how they feel in that HBO show OZ

[**Em**] Maybe take some advit, your pain it will fix
From the [**D**] way you are walking, you can compete in the special olympics

[**Em**] If this was Alabama we would be on trial,
Thats how my [**D**] mom took my temperature as i was a child

Verse:

I've [**Em**] got a con[**C**]fession, and I [**G**] think you don't [**D**] mind
[**Em**] I kinda [**C**] liked when you [**G**] put it in my [**D**] behind

[**Em**] I don't know [**C**] baby, I'm no [**G**] Sodo[**D**]mite
[**Em**] Can't we just [**C**] try it [**G**] again to[**D**]night….?

Alright!

[**Fm#**] Every night [**D**] oooo
I [**A**] stick it in the wrong [**E**] hole

[**Fm#**] It's so much fun, [**D**] oooo
and we [**A**] don't need no birth con[**E**]trol
[**Fm#**] [**D**] [**A**] [**E**]
When we stick it in the wrong hole.
[**Fm#**]
I stuck it in your ass.

It's rare then where is nothing wrong

Survived and you're amongst the fittest

Bob Dylan - The man in me

Capo 1

```
G           Am
UUUUUuuuuuuuuuuu  La la la la...
 D                      C     G
La la la...

 G                      Am
La la la la...
 D                      C     G
La la la...

    G                   Am
The man in me will do nearly any task,
    D
And as for compensation,
     C                   G
there's little he would ask.
       G
Take a woman like you
        Am              C        G
To get through to the man in me.

    G                    Am
Storm clouds are raging all around my door,
D                       C              G
I think to myself I might not take it anymore.
       G
Take a woman like your kind
   Am       C       G
To find the man in me.

Chorus:
     Am                        G
But, oh, what a wonderful feeling
         Am                 G
Just to know that you are near,
     Am           G
Sets my a heart a-reeling
         Am            D
From my toes up to my ears.

    G                                  Am
The man in me will hide sometimes to keep from
bein' seen,
    D
But that's just because he doesn't want
   C                    G
to turn into some machine.
       G
Took a woman like you
       Am              C        G

    Make my body into your shrine
You give me this feeling deep inside
One that I can no longer disguise
While other snakes just shed their skins
Fucked holes pointing out my sins
Even though I realise that history's not on my side
Even though I realise the pioneer skin still curls
up in my eyes

   If I don't go crazy, I'll lose my mind
I saw a life before me but now I'm blind
I wanna go to heaven, never been there before
I wanna go to heaven, so you give me some more

Flying high upon the gallows
Too messed up to step out of the shadows
A drugged up heart that knows no sorrow
Rescued from this deep dark hole
Stick on these boots and sharpen the nails
Time is nigh for you leather girls
Maybe we should end this race
Vanish while we cannot leave no trace

If I don't go crazy, I'll lose my mind
I saw a life before me, but now I'm blind
See one-arm film stars on alien beaches
Potted gold and tattooed faces
Harrison murals on the corner, tupperware boxes
full of hops
Diazepam dreams there catching streams
Paper dinosaurs flash blue and green
Still I've got a flash-bulb head
Still I've got a flash-bulb head

If I don't go crazy, I'll lose my mind
I saw a life before me but now I'm blind
I wanna go to heaven, never been there before
I wanna go to heaven, so you give me some more

Lynyrd Skynyrd – Simple man

C **G** **Am**
My momma told me, when I was young.
C **G** **Am**
Come sit beside me, my one and only son.
C **G** **Am**
And listen closely, to what I say.
C **G** **Am**
And if you do this, it will help you some sunny day.

Take you time, don't live too fast.
Troubles will come, and then they'll pass.
If you find a woman, you'll find love.
But don't forget me my son, there is someone up above.

Chorus:
C **G** **Am**
And be a simple kind of man.
C **G** **Am**
Be something you can love and understand.
C **G** **Am**
Baby, be a simple, be a simple man.
C **G** **Am**
Won't you do this for me son, if you can.

Forget your lust, for the rich man's gold.
All that you need, is in your soul.
You can do this, if you try.
All that I want for you my son, is to be satisfied.

{Chorus}
{Break}

Oh don't you worry, you'll find yourself.
Follow your heart, and nothing else.
Do this for me, at least you should try.
Cause all I want for you my son, is to be satisfied.

{Repeat chorus twice}

Donovan - Hurdy Gurdy Man

G **Bm**
Thrown like a star in my vast sleep
C **D**
I opened my eyes to take a peep
G **Bm**
To find that I was by the sea
C **D**
Gazing with tranquility

F **C**
'Twas then when the hurdy gurdy man
G
Came singing songs of love
F **C**
Then when the hurdy gurdy man
G
Came singing songs of love
F **C** **G**
Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang
Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang
Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang

Histories of ages past
Unenlightened shadows cast
Down through all eternity
The crying of humanity

'Tis then when the hurdy gurdy man
Comes singing songs of love
Then when the hurdy gurdy man
Comes singing songs of love

Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang
Hurdy gur-dy, hurdy gurdy, hurdy gur-dy, hurdy gurdy hurdy gurd
Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang

Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang
Here comes the roly-poly man
He's singing songs of love
Roly poly, roly poly, roly poly poly he sang
Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang
Hurdy gurdy, hurdy gurdy, hurdy gurdy gurdy he sang
Roly poly, roly poly, roly poly poly he sang

(It is said that when Donovan was writing this song, George Harrison was listening and offered this verse:)

G **Bm**
When the truth gets buried deep
C **D**
Beneath a thousand years asleep
G **Bm**
Time demands a turnaround
C **D**
And once again, the truth is found

F **C**
Awakening the hurdy gurdy man
G
that comes singing songs of love
Awakening the hurdy gurdy man
that comes singing songs of love
Hurdy gurdy, hurdy gurdy...

Nick Cave & the bad seeds – The weeping song
Capo 2

Am G Am
Go son, go down to the water
And see the women weeping there
Then go up into the mountains
The men, they are weeping too

Father, why are all the women weeping?
They are weeping for their men
Then why are all the men there weeping?
They are weeping back at them

G Am
This is a weeping song
G Am
A song in which to weep
G Am
While all the men and women sleep
G Am
This is a weeping song
G Am
But I won't be weeping long

Father, why are all the children weeping?
They are merely crying son
O, are they merely crying, father?
Yes, true weeping is yet to come

This is a weeping song
A song in which to weep
While all the men and women sleep
This is a weeping song
But I won't be weeping long

(It's the same chords here, as usual, but you can play softer or stress the bass for this part if you like.)

O father tell me, are you weeping?
Your face seems wet to touch
O then I'm so sorry, father
I never thought I hurt you so much

(play as usual)

This is a weeping song
A song in which to weep
While we rock ourselves to sleep
This is a weeping song
But I won't be weeping long
But I won't be weeping long
But I won't be weeping long
But I won't be weeping long

Upon the fields of barley

Liquido - Narcotic

Capo 1
[VERSE] **C Dm F C**
[Chorus] **C Dm F C**
[Breakdown] **C Dm F Dm C**

C **Dm**
So you face it with a smile
F
There is no need to cry
C
For a trifle's more than this

Will you still recall my name
And the month it all began
Will you release me with a kiss

Have I tried to draw the veil
If I have - how could I fail?
Did I fear the consequence

[Breakdown]
C **Dm**
dazed by careless words
F Dm C
Cosy in my mind

[**Chorus x2**]
C **Dm**
I don't mind
F
I think so
C
I will let you go

Now you shaped that liquid wax
Fit it out with crater cracks
Sweet devotion - my delight

Oh, you're such a pretty one
And the naked thrills of flesh and skin
Would tease me through the night

Now i hate to leave you bare
If you need me I'll be there
Don't you ever let me down

[Breakdown]
dazed by careless words
Cosy in my mind

[**Chorus x2**]

And I touched your face
Narcotic mind from lazed, Mary-Jane
And I called your name
Like an addicted to cocaine calls for the stuff he'd
rather blame

And I touched your face
Narcotic mind from lazed, Mary-Jane
And I called your name

And I called your name
My cocain

[**Chorus**]
(repeat fading out)

The beatles - Hey Jude

```
     G                 D
Hey, Jude don't make it bad,
       D7                  G
Take a sad song and make it better.
C                           G
Remember to let her into your heart,
             D        D7      G
Then you can start to make it better.

    G            D
Hey Jude don't be afraid,
         D7                  G
You were made to go out and get her.
    C                           G
The minute you let her under your skin,
            D        D7      G     G7
Then you'll begin to make it better.

CHORUS:
G7                        C
And any time you feel the pain,
            Am7                    D7              G         G7
Hey Jude, refrain, don't carry the world upon your shoulders.
G7                        C
For well you know that it's a fool,
            Am7                D7             G
Who plays it cool, by making his world a little colder.
        G7       D           D7
Na, na, na, na...na, na, na, na...

     G                D
Hey, Jude don't let me down,
         D7                  G
You have found her now go and get her.
  C                          G
Remember, to let her into your heart,
             D        D7      G     G7
Then you can start to make it better.

CHORUS:
G7                        C
So let it out and let it in,
         Am7                        D7            G    G7
Hey Jude begin, you're waiting for someone to perform with.
G7                        C
And don't know that it's just you,
                Am7                 D7             G
Hey Jude, you'll do, the movement you need is on your shoulders.
        G7       D           D7
Na, na, na, na...na, na, na, na..yeah.

     G                  D
Hey, Jude, don't make it bad,
       D7                  G
Take a sad song and make it better.
  C                          G

And woman, it's your heart I see crying

Now you're standing like some tree, oh, and the blossom has blown away
And the last leaf has gone crumbling tumbling towards the ground
You have nothing to teach me, just have nothing at all to say
Except to keep on telling me about all the happiness that you do think you have found

Intro: **EEDA** (4x)

E **D** **A**
Seeds of rebellion lay outside your front door
E **D** **A** **G**
If you nourish them and water them they'll grow into a healthy what for?
D **A**
And if revolution isn't what's in store
B
How can you care anymore?

(Chorus)
E **D**
It's a dangerous slip,
A **E**
a conscientious shift
E **D** **A** **E**
In the spirit of resistance you gotta hold your grip
G **D** **A** **B**
Lest the state of your resolve makes you quickly devolve to a fundamentalist

(Verse)
You're an archetype,
that they can pin to the wall
As you cling to all convictions like a farm animal in its stall
Never thinking of the bigger world outside
As they take you for a ride

(Chorus)
It's a dangerous slip,
a conscientious shift
In the spirit of resistance you gotta hold your grip
Because passion unabated will be readily conflated with belligerence

Solo: Over verse chords

(Chorus)
It's a dangerous slip,
a conscientious shift
The spirit of resistance you gotta hold your grip
And the verdict won't be kind 'cuz they're desperate for a viable alternative

       Am                          C
As the sun comes creeping up the mountain

and the wind blows over from the sea.
           Am                                  C
Hey, we're brought into this land like tiny particles of sand,
G                                     Dm                  Em
unsure of who we're smarter than, or what we're meant to be.
       Am                                C
Oh the grains sift coarsely through the hour glass
       G                                 E
and collect like their victims in the bowl.
      Am                                 C
The ungodly force of change erodes all sense of earthly gains.

[Verse 2]
Well, I wish that I could tell you it was easy,
just take the paved road right to paradise.
But the truth is my friend, the pain and suffering never ends.
Make amends with medicine, amnesia, and lies.
The grains sift coarsely through the hour glass
and they pound like boulders on the brain.
All those things you did for fun, never hurting anyone,
careless shadows in the sun, just empty and lame.

And it's no! It's no use thinking that you're wrong.
The past is old and gone. It's best to move along
and find your Avalon.

So now the day races from the twilight.
How the fields are enveloped by the shade.
And the story that you'll tell, inventory of your well,
crack the shell and find the mortar silted and decayed.

But the generals died by assassins, the battalions dispersed on the fly,
        F             C           F               G
And they paid for their sins with the blood of their kin,

Gorillaz - 192000

G - F - C - G - G - F - C - G and so on...

The world is spinnin' too fast
I'm buyin' lead Nike shoes
To keep myself tethered
To the days I tried to lose (Oh Yeah)
My mama said to slow down
You must make your own shoes
Stop dancin' to the music
Of Gorillaz in a happy mood (Oh Yeah)
Keep a mild groove on
They do the bump (x8)

There ya go!

Get the cool!
Get the cool shoeshine! X4

There's a monkey in the jungle
Watchin' a vapour trail
Caught up in the conflict
Between his brain and his tail (Oh Yeah)
And if time's elimination
Then we got nothin' to lose
Please repeat the message
It's the music that we choose (Oh Yeah)
Keep a mild groove on
They do the bump (8x)

OK bring it down
Yeah, we gonna break out

Get the cool!
Get the cool shoeshine! X4
They do the bump (repeat until end)

Leavin' Texas, fourth day of July,
Sun so hot, the clouds so low, the eagles filled the sky.
Catch the Detroit Lightning out of Santa Fe,
The Great Northern out of Cheyenne from sea to shining sea.

Gotta go to Tulsa, first train we can ride,
Got to settle one old score, one small point of pride.
Ain't no place a man can hide, Shannon, to keep him from the sun;
Ain't no bed can give us rest, now, you keep us on the run.

Jack Straw from Witchita cut his buddy down,
And dug for him a shallow grave and laid his body down.
Half a mile from Tuscon, by the morning light,
One man gone and another to go, my old buddy you're moving much too slow.

Grateful Dead - St. Stephen

```
E            D
Saint Stephen with a rose,
A               E
In and out of the garden he goes,
E                    D
Country garland in the wind and the rain,
    A
Wherever he goes the people all complain.

Did Stephen prospered in his time?
Well he may and he may decline.
Did it matter, does it now?
 A                                      B
Stephen would answer if he only knew how.

Wishing well with a golden bell,
Bucket hanging clear to hell,
Hell halfway twixt now and then,
Stephen fill it up and lower down and lower down
      again.

E           D        A   E
Lady finger, dipped in moonlight,
E      D          A                 E
Writing "What for?" across the morning sky.
E                  D        A   E
Sunlight splatters, dawn with answer,
E                  D       A      E
Darkness shrugs and bids the day goodbye.
E               D        A  E
Speeding arrow, sharp and narrow,
E            D       A               E
What a lot of fleeting matters you have spurned.
E               D         A   E
Several seasons  with their treasons,
E               D       A      E
Wrap the babe in scarlet colors, call it your own.

Did he doubt or did he try?
Answers aplenty in the bye and bye,
Talk about your plenty, talk about your ills,
One man gathers what another man spills.

Saint Stephen will remain,
All he's lost he shall regain,
Seashore washed by the suds and foam,
Been here so long, he's got to calling it home.

E
Fortune comes a crawlin', calliope woman,
D                  A            E
Spinnin' that curious sense of your own.
E                  D
Can you answer? Yes I can.
    A                              E     D     E
But what would be the answer to the answer man?

Traditional - Oh the wind and rain

E A
There were two sisters came walking down the stream
D A E
Oh, the wind and the rain
E A
One behind pushed the other one in
B C#m D E
Cryin' oh, the dreadful wind and rain

Johnny gave the youngest a gay gold ring
Oh, the wind and the rain
Didn't give the oldest one anything
Cryin' oh, the dreadful wind and rain

Pushed her into the river to drown
Oh, the wind and the rain
And watched her as she floated down
Cryin' oh, the dreadful wind and rain

She floated 'till she came to a fisher in the pond
Oh, the wind and the rain
Cryin' father, oh father there swims a swan
Cryin' oh, the dreadful wind and rain

Miller pulled her out with his drifting hook
Oh, the wind and the rain
And pulled that fair maid from the brook
Cryin' oh, the dreadful wind and rain

Melody Riff

Left her on the bank to dry
Cryin' Oh, the wind and the rain
And a fiddling fool come passing by
Cryin' oh, the dreadful wind and rain

Out of the woods came a fiddler fair
Oh, the wind and the rain
He took thirty strands of her long yellow hair
Cryin' oh, the dreadful wind and rain

And he made a fiddle bow of her long yellow hair
Oh, the wind and the rain
And he made a fiddle bow of her long yellow hair
Cryin' oh, the dreadful wind and rain

He made fiddle pegs of her long finger bones
Oh, the wind and the rain
He made fiddle pegs of her long finger bones
Cryin' oh, the dreadful wind and rain

And he made a little fiddle of her breast bone
Oh, the wind and the rain
Whose sound could melt a heart of stone
Cryin' oh, the dreadful wind and rain

And the only tune that fiddle would play was
Oh, the wind and the rain
The only tune that fiddle would play was
Oh, the dreadful wind and rain

Sawing a pigeon in half with a stick!
Look at the pigeon, now it's in two!
Oh my, it's rear end is having a poo!

Look at the mess,
In aisle two!
Aisle two,
That's the place where they store the Ragu!

When will this horror finally end?

Just for one day
C/D **G**
We can be Heroes
D
Just for one day

And you
You can be mean
And I
I'll drink all the time
'Cause we're lovers
And that is a fact
Yes we're lovers
And that is that

Though nothing
Will keep us together
We could steal time
Just for one day
We can be Heroes
For ever and ever
What d'you say

I
I wish you could swim
Like the dolphins
Like dolphins can swim
Though nothing
Will keep us together
We can beat them
For ever and ever
Oh we can be Heroes
Just for one day

I
I will be king
And you
You will be queen
Though nothing
Will drive them away
We can be Heroes
Just for one day
We can be us
Just for one day

I
I can remember
Standing
By the wall
And the guns
Shot above our heads
And we kissed
As though nothing could fall
And the shame
Was on the other side
Oh we can beat them
For ever and ever
Then we can be Heroes
Just for one day

We can be Heroes
We can be Heroes
We can be Heroes
Just for one day
We can be Heroes
We're nothing
And nothing will help us
Maybe we're lying
Then you better not stay
But we could be safer
Just for one day

Monty Python - The Universe Song
from The Meaning of Life

Intro
Whenever life gets you down, Mrs. Brown
And things seem sad or tough
And people are useless, obnoxious, or daft,
And you feel that you've had quite enough...
G G7
Just re-

member that you're standing on a planet that's evolving
C G
revolving at nine-hundred miles an hour
G7
and orbiting at nineteen miles a second, so it's reckoned,
  C
a sun that is the source of all our power.
C
Now the sun and you and me, and all the stars that we can see
A7 F
Are moving a million miles a day
F7 C
In an outer spiral arm at forty thousand miles an hour
G7 C
of the galaxy we call the Milky Way.

(chords same for all verses)

Verse II
Our galaxy itself contains a hundred million stars,
it's a hundred thousand light-years side to side,
it bulges in the middle, sixty thousand light-years thick,
but out by us it's just three thousand light-years wide.
We're thiry thousand light-years from galactic central point
We go 'round every two hundred million years,
and our galaxy itself is one of millions of billions in this
Amazing and Expanding Universe!

Break -- odd animations...

Verse III
The universe itself keeps on expanding and expanding
in all of the directions it can whiz,
as fast as it can go, the speed of light, y'know,
twelve million miles a minute, and that's the fastest speed there is,
So remember when you're feeling very small and insecure
How amazingly unlikely is your birth,
And pray that there's intelligent life somewhere up in space,
'Cause there's bugger-all down here on Earth.
