Horse With No Name
America

Am Gadd9...
On the first part of the journey
I was looking at all the life
There were plants and birds and rocks and things
There was sand and hills and rings
The first thing I met was a fly with a buzz
And the sky with no clouds
The heat was hot and the ground was dry
But the air was full of sound

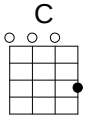

I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
cause there aint no one for to give you no pain
La, la ...

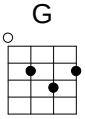

After two days in the desert sun
My skin began to turn red
After three days in the desert sun
I was looking at a river bed
And the story it told of a river that flowed
Made me sad to think it was dead

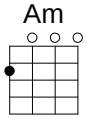

You see I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
cause there aint no one for to give you no pain
La, la ...

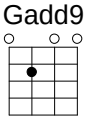

After nine days I let the horse run free
cause the desert had turned to sea
There were plants and birds and rocks and things
There was sand and hills and rings
The ocean is a desert with its life underground
And a perfect disguise above
Under the cities lies a heart made of ground
But the humans will give no love

You see I've been through the desert on a horse with no name
It felt good to be out of the rain
In the desert you can remember your name
cause there aint no one for to give you no pain
La, la ...

I had to leave a little girl in Kingston Town.

Down a the market you can hear
ladies cry out what on the heads they bear.
Haki, rice, salt and fish are nice
and the rum tastes fine any time of year.

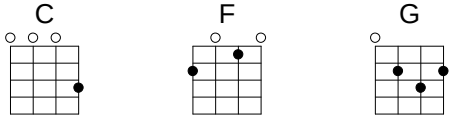

But I'm sad to say, I'm on my way,
won't be back for many a day,
my heart is down, my head is turning around,
I had to leave a little girl in Kingston Town.

Sounds of laughter everywhere,
and the dancing girls sway to and fro.
I must declare my heart is there,
though I have been from Maine to Mexico.

But I'm sad to say, I'm on my way,
won't be back for many a day,
my heart is down, my head is turning around,
I had to leave a little girl in Kingston Town.

Down the way where the lights a gay

But I'm sad to say, I'm on my way,

African Skies
Paul Simon

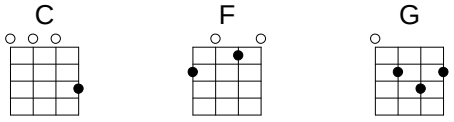

C F C G C F C G..
Jo - sephs face was black as night
The pale yellow moon shone in his eyes
His path was marked
By the stars in the southern hemisphere
And he walked his days
Under african skies

This is the story of how we begin to remember
This is the powerful pulsing of love in the vein
After the dream of falling and calling your name out
These are the roots of rhythm
And the roots of rhythm remain

In early memory
Mission music
Was ringing round my nursery door
I said take this child, lord
From tucson arizona
Give her the wings to fly through harmony
And she wont bother you no more

This is the powerful pulsing of love in the vein
After the dream of falling and calling your name out
These are the roots of rhythm

Young man, are you listening to me?
I said, young man, what do you want to be?
I said, young man, you can make real your dreams.
But you got to know this one thing!

No man does it all by himself.
I said, young man, put your pride on the shelf,
And just go there, to the y.m.c.a.
I'm sure they can help you today.

It's fun to stay at the Y-M-C-A.
It's fun to stay at the Y-M-C-A.

You can hang out with all the boys ...

It's fun to stay at the Y-M-C-A.
It's fun to stay at the Y-M-C-A.
You can get yourself cleaned, you can have a good meal,
You can do whatever you feel ...

Young man, I was once in your shoes.
I said, I was down and out with the blues.
I felt no man cared if I were alive.
I felt the whole world was so tight ...

That's when someone came up to me,
And said, young man, take a walk up the street.
There's a place there called the y.m.c.a.
They can start you back on your way.

It's fun to stay at the Y-M-C-A.
It's fun to stay at the Y-M-C-A.
They have everything for you men to enjoy,
You can hang out with all the boys ...

Y-M-C-A ... you'll find it at the Y-M-C-A.

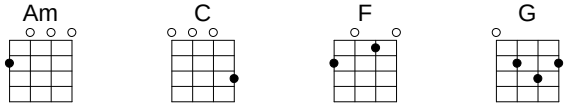

Young man, young man, there's no need to feel down.
Young man, young man, get yourself off the ground.

Y-M-C-A ... you'll find it at the Y-M-C-A.

Young man, young man, there's no need to feel down.
Young man, young man, get yourself off the ground.

Y-M-C-A ... just go to the Y-M-C-A.

Young man, young man, are you listening to me?
Young man, young man, what do you wanna be?

Midnight Special

C F
Well, you wake up in the morning
C
You hear the ding dong ring
G
You go marchin to the table
C..
You see the same old thing

Ain't no food upon the table
And no fork in the pan
But you better not complain, boy
You get in trouble with the man

Let the midnight special shine a light on me
G
Let the midnight special shine a ever-lovin' light
C
on me

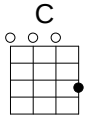

Yonder come miss Rosie
Tell me how do you know
I know her by her apron
And the dress she wore
Umbrella on her shoulder
Piece of paper in her hand
She come to see the captain
She want to free her man

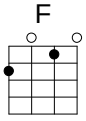

Let the midnight special shine a light on me
Let the midnight special shine a ever-lovin' light
on me

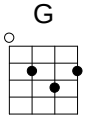

If you're ever in Houston
Well you'd better do right
You'd better not gamble
And you better not fight
Or the sheriff will grab you
The boys will bring you down
The next thing you know boy
Well, you're prison bound

Let the midnight special shine a light on me
Let the midnight special shine a ever-lovin' light
on me

Rollin, rollin, rollin on the river.

Rollin, rollin, rollin on the river.
Rollin, rollin, rollin on the river.
Rollin, rollin, rollin on the river.

I play Bb6 instead of Bb because its easier and sounds almost the same. Play Bb instead if you prefer the "correct" sound.

Don't Worry, Be Happy (G)
Bobby McFerrin

G
Here is a little song I wrote
Am
You might want to sing it note for note
C ***G***
Don't worry be happy
In every life we have some trouble
Am
When you worry you make it double
C ***G***
Don't worry, be happy
Don't worry, be happy

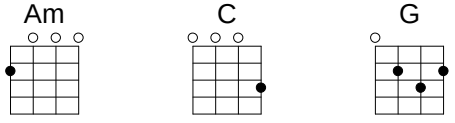

G ***Am*** ***C***
Don't worry, be happy.
G
Don't worry, be happy.
G ***Am*** ***C***
Don't worry, be happy.
G
Don't worry, be happy.

G
Ain't got no place to lay your head
Am
Somebody came and took your bed
C ***G***
Don't worry, be happy
G
The land lord say your rent is late
Am
He may have to litigate
C ***G***
Don't worry, be happy
Don't worry, be happy

G ***Am*** ***C***
Don't worry, be happy.
G
Don't worry, be happy.
G ***Am*** ***C***
Don't worry, be happy.
G
Don't worry, be happy.

G
Ain't got no cash, ain't got no style
Am
Ain't got not girl to make you smile
C ***G***
But don't worry be happy
G
Cause when you worry Your face will frown
Am
And that will bring everybody down
C ***G***
So don't worry, be happy
Don't worry, be happy

Don't worry, be happy.
G
Don't worry, be happy.
